'First among States in both domestic and international tourist arrivals since 2014'

Tamil Nadu continues to top the list on arrival of domestic and foreign travellers in the country, according to Vellamandi N. Natarajan, Tourism Minister.

Speaking at the Pongal celebrations held at Kuzhumani near here on Tuesday, he said Tamil Nadu had secured first place among the States in both domestic and international tourist arrivals for the third consecutive year since 2014.

“Good connectivity, better roads, spectacular and magnificent temples, hill stations, tourism friendly policies and an active hospitality sector were the reasons for it.
